This comes from Council's recent budget motion to allocate an additional \$300,000 to the committee and develop a process that creates accountability and transparency (Mackey) - Ms. Mackey stated this motion came about during the budget where they looked at previous agencies that have been approved for lump sum or discretionary grant funds. Council agreed they wanted to create a process to work with and support organizations and communities with transparency and accountability, so they can see how the fund were spent and if they are having an impact on the community.

Mr. Malinowski inquired about the limitation of awards.

Ms. Mackey stated the Rules and Appointments Committee is responsible for renaming the committee, and the committee will then determine how they operate and report back.

Ms. Barron inquired if there is a system already in place to do this.

Ms. Kirylo responded IT had indicated it is possible.

Mr. Malinowski inquired why the applications could not be given to Council separately and only publish the names on the agenda to avoid having IT create a new form.
