5. **ITEMS FOR DISCUSSION/ACTION**
 - a. Detention Center Update – Mr. Leonardo Brown, Count Administrator, stated the County recently responded to a request we received from the Department of Corrections about the work we were undertaking at the facility. We were able to provide input about the continued renovations going on at the facility.
 - Five of the housing units have had their locks upgraded, which represents 252 out of 448 locks or over 56%;
 - Renovations to another unit is nearing completion;
 - Multiple contractors are working to maximize renovations;

- The county responded to all of the questions related to the State Fire Marshal's inspection.

Mr. Brown noted the county has received a few requests from media outlets to see the response to the Department of Corrections. He indicated that he notified the Department of Corrections on Friday, March 15th, that he intends to release the information. We want to ensure there are no policies that would jeopardize the security of the facility and that SCDC and the county are on the same page.

Mr. Weaver inquired about the progress on filling the vacancies at the Detention Center.

Mr. Brown indicated staffing is a nationwide issue. We still have augmented staffing at the Detention Center. He would say we are at a 20% vacancy rate, meaning we have enough individuals for multiple shifts and potentially allow some people to take off without it being a concern. However, there are still a significant number of positions available. He noted the projected rate, with overtime, for a detention center officer is \$77,000/year. In addition, a level of exempt employees has been moved to non-exempt, so they can now be paid for their overtime hours.

Ms. English moved to go into Executive Session, seconded by Mr. Pugh.
